

Introduction:

The new Enzo range from Inta is a real best seller. Beautifully subtle curved lines and simple form belie the technology that is packed into each shower. Enzo is both safe to touch during operation and thermostatically controlled so that it protects from delivering water that is hot enough to scald.

Features

-  Thermostatic Anti-Scald Protection
-  Safe Touch Body
-  WRAS and TMV2 Approved Valve
-  Smooth Hose
-  Adjustable Fixing Points For Riser
-  Push Button Handset with Facial Spa Silk Spray and Pulsating Massage Function

Product Range

Description	Code
Deluxe Enzo Safe Touch Thermostatic Single Outlet Bar Shower with Flexible Slide Rail Kit Smooth Hose and Push Button Handset	EN10035CP

Enzo showers have been accredited TMV2 approval from BuildCert where you see this logo.

The constant circulation of cold water under the surface of the valves ensures the surface will never be hot to touch.

All Enzo bar showers feature inta's proven anti-scald thermostatic technology.

Enzo showers have been approved by WRAS where you see this logo.
