

Introduction:

The new Enzo range from Inta is a real best seller. Beautifully subtle curved lines and simple form belie the technology that is packed into each shower. Enzo is both safe to touch during operation and thermostatically controlled so that it protects from delivering water that is hot enough to scald.

Features

-  Thermostatic Anti-Scald Protection
-  Safe Touch Body
-  Built in Diverter
-  Adjustable Fixing Points For Riser
-  Push Button Handset with Facial Spa Silk Spray and Pulsating Massage Function

Product Range

Description	Code
Enzo Safe Touch Thermostatic Bath Shower Mixer with Deck Mounting Legs, Flexible Slide Rail Kit and Handset	EN90015CP

The constant circulation of cold water under the surface of the valves ensures the surface will never be hot to touch.

All Enzo bar showers feature inta's proven anti-scald thermostatic technology.
